Happy Holidays and Thank You!

Dear Friend,

Did you know 100% of all contributions to the Nevada Women's Fund's scholarship program go directly to the women we serve? This commitment to our scholarship donors gives them assurance that their investment in our community is fully realized with each and every scholarship awarded -- advancing our mission to *empower women to achievement*.

It is because of this commitment to our scholarship donors that we rely on our two annual fundraisers, Salute to Women of Achievement and Power of The Purse, along with your generous support to cover our operating costs. Where does this money go? Yes, it goes to the day-to-day expenses of running our nonprofit business, but it also goes to development of new funding opportunities, and outreach to new scholarship donors, and scholarship applicants. Your support has allowed us to grow annually, year after year in our efforts to assist women throughout Northern Nevada to achieve their academic endeavors.

Thanks to your generosity, Nevada Women's Fund awarded a record-breaking \$290,000 in 2022 and over \$9 million since 1983. 2023 will be our 40th anniversary and with your continued support, we want to maximize our reach and impact by awarding a record number of scholarships. There's no better time to get involved. You may wish to provide a general donation, or perhaps even set up a scholarship in the name of yourself or a loved one. A donation to Nevada Women's Fund is a wonderful way to show friends and family that you are thinking about them during the holiday season as well as sending a message that you are mindful of the needs of women in our community. That person who "has everything" might truly appreciate a donation or even a scholarship, with Nevada Women's Fund, in their name.

In whatever way you chose to support Nevada Women's Fund, we are deeply grateful.

Sincerely,

Ila Achatowski
President & CEO

2022 Board Chair
